Huntsville Hospital Internal Medicine

Zia Hassan, M.D.

Board Certified in Internal Medicine, Dr. Zia Hassan manages all aspects of adult patients' general healthcare needs and provides seamless referrals to local specialists as needed. Trust Huntsville Hospital Internal Medicine to provide:

- Care for patients with undefined symptoms and complaints (shortness of breath, chest pain, abdominal pain, back pain, etc.) who need help with diagnosing their illness
- Coordination of care when surgeons and other specialized care providers are involved in the Huntsville area
- Collaborative care of patients with chronic medical illnesses (high blood pressure, diabetes, heart disease, emphysema, etc.) throughout various stages of their illness
- Comprehensive management of medical needs for hospitalized patients

Scheduling appointments

Consultation with Dr. Hassan is by appointment only. Appointments may be scheduled by contacting the clinic directly. Be prepared to provide:

- Current insurance information
(most insurance accepted)*
- Mailing address*
- Daytime/evening/cell phone numbers*

On the day of your appointment, please allow time for parking and registration. In addition, please bring the following items to your appointment:

- Current insurance card (most insurance accepted)*
- Method of payment*
- Current medications or a complete list of medicines with doses, including all over-the-counter medications, herbs and vitamins*

Cancelling appointments

If it is necessary to cancel an appointment, please notify the clinic at least 24 hours in advance. This is an important courtesy to others waiting to schedule an appointment.

Immunizations and Injections

Visits only for immunizations or injections do not require a regular appointment with the physician. However, please call us at least one day in advance so we can make sure to have adequate supplies and staff to assist you.

Telephone calls

All messages are given to the appropriate personnel as soon as possible, and every attempt is made to return telephone calls during regular work hours. There are times, however, when we can not answer calls within the same day they are received. Please tell the receptionist if your call is urgent, if it must be returned the same day or if a response is needed by a particular time. Again, so that we can accurately reach you, please confirm your contact telephone numbers with the clinic.
